

OFFICIAL SPORTS MEDICINE PARTNER OF MOUNDS VIEW HIGH SCHOOL

KATIE ESPE, MS, ATC, LAT

kespe@summitortho.com

Training Room Hours: 2-6 pm

ERIC KHETIA, M.D.

Orthopedic Surgeon
specializing in knee and
shoulder arthroscopic
surgery & sports medicine.

Your Summit Orthopedics team is looking forward to partnering with you to ensure a healthy + active 2022-2023 school year.

As an athletic trainer, I will be on the sidelines available to treat acute injuries. During training room hours, I am available to assess injuries and to prepare your athlete by developing injury prevention programs and providing rehabilitation recommendations.

Please come and see me!
Katie

ACCESS TO CARE

Summit Orthopedics is committed to concierge-level service to all Mounds View High School athletes. The school's athletic trainer will navigate you to the appropriate care team providing easy access and scheduling priority to specialists and rehabilitation services.

ORTHOPEDIC URGENT CARE: ORTHOQUICK

When care is needed right now, walk into OrthoQUICK to be seen by an orthopedic expert. Open daily 8 a.m. to 8 p.m. in Eagan, Lakeville, Plymouth, Vadnais Heights, and Woodbury.

ABOUT SUMMIT ORTHOPEDICS

Summit's sports medicine specialists diagnose and treat the full spectrum of injuries and conditions that come with active lifestyles. Partnering with you, they design personalized treatment plans to safely accelerate your child's recovery — less time in the doctor's office and more time back to an active life.
